Do we do Other Events? Can you Help? Learn?

YES! We work with companies, event managers, schools and private parties to develop customized experiences. No funding? We coach our volunteers in grantwriting and write our own grants to help you to bring our events to you and you to our events.

Funded Big Bunny Giveaways and LEGO themed experiences help us to unlock participation of our youth and access to our products at your event. We make handmade bunnies and/or produce LEGO experiences that include with your logo and/or theme. We produce progressive videos as we make the bunnies for our YouTube channels. At your event our youth support your customers and employees and help to make your celebration special.

To bring our customized event to you, or to volunteer for, participate in or sponsor one of our programs, please contact Squigglemom, Trish Tsoiasue at Patricia@makersvilleservices.org or at 562-225-9589.

Visit us in our studio at Shoreline Village in Long Beach.
